- View and create medical aid confirmations here.

The screenshot shows a web application interface for 'Medical Aid Confirmations'. At the top, there is a navigation bar with 'Clinical' and several menu items: 'Appointments', 'Patient', 'Medical Aid', 'Exam', 'Jobs', 'Appointment Roster View', and 'Configuration'. On the right of the navigation bar, there are icons for a refresh, chat, and a user profile labeled 'Administrator'. Below the navigation bar, the page title is 'Medical Aid Confirmations'. There is a search bar with the placeholder text 'Search...'. Below the search bar, there are buttons for '+ Create' and 'Import'. To the right of these buttons are dropdown menus for 'Filters', 'Group By', and 'Favorites'. In the top right corner, there is a page indicator '1-16 / 16' and navigation arrows. Below this is a table header with a checkbox, a 'Name' dropdown, and a 'Patient' column. The table body is currently empty.
